FRI: THE ULTIMATE FRAMING FOR YOUR AGRIPO® SYSTEM

FRI is a set of cabinets that frame the Agripo® lift and creates a more inviting point of sale. Pick from a well-chosen selection of colors and with the opportunity to get it customised to fit into any particular store.

The Agripo® System

The Agripo® System from Butikskonsult is designed to create profitable root crop sales thanks to reduced waste, simplified logistics and an efficient process. Agripo® also improves the working environment due to the elimination of heavy lifting. The system has been developed and proven for over 30 years to meet the demands and needs of a modern store.
